

Flutter Bootcamp

Date: 19/12/2022

Team Name: Tuwaiq community

Leader Name: Rakan Alotaibi

Tuwaiq community App

Description:

The goal of the project is to increase sociality at Tuwqia Academy. And to achieve that goal. we planned to design a Tuwaiq community app. The app will focus on the student's journey since he/she registered in any Tuwaiq's courses/boot camps until graduation. Also, the app will increase the sociality and communication parts of the student.

Features List:

- Profile customization
- Social media links
- Student ranking system
- Challenging system
- Rewarding system
- Coins & Store system
- Unique QR code for each student
- Event manager
- News manager

Define the pages

- Login
- Restore password
- Home
- Profile
- Leaderboard
- Events
- Communities

Flutter Bootcamp
